Please read and keep for your reference.

CAMPER PACKING LIST

Please label every item your camper brings, especially luggage, with his/her full name.

- Make sure all medication is clearly labelled with the camper's name, dosage, frequency, etc.
- Do not bring knives, valuable jewelry, items requiring electricity, music players, or cell phones.
- We do not recommend using garbage bags as they are not durable.
If you must use them, clearly mark the camper's name on each bag and double-bag the contents.
- MPC is not responsible for lost items. Items left at camp are returned to our Winnipeg office and must be collected within one month of the camp session in which they were lost.
